

What our Staff is Saying

“For me, the best thing about being a part of the Little Leaders’ family is the way the **directors and owners truly value their staff**. They truly show by example how to be a leader and help you be the best you can be as a teacher in the classroom. The director is always willing to help and listen at any time of the day. It truly is **a special work environment that I have not seen anywhere else** before. All the staff work together and make coming to work fun and enjoyable!” --- Lindsey Bird

“For me, the best thing about being a part of the Little Leaders’ family is feeling like **I found my true belonging** to not just an employer or as an employee, but that there is this BOND of completeness. Being a part of Little Leaders isn’t just a job. I enjoy what I get to do every day even on the challenging days. The appreciation from upper management as staff also makes a world of difference as well. I know **I have found my calling when it comes to being a part of this family.**” --- Christina Martinez
